

Course selections for next year have begun, next year's Grade 11 & 12's will be registering for their courses online by visiting, <http://www.bcesis.isw-bc.ca/pa/> . They will receive their username & password that is required from their TA. All course selections must be chosen online between Feb. 9 - 16th/09.

Please note that next year's Gr. 9 & 10's should have made their course selections with their school counsellor on Feb. 2 & 3rd, and will not be registering online. If you haven't already done so, please visit one of the school counsellors as soon as possible to ensure your selections for next year have been chosen.

Course verifications forms will come out in the Spring through TA, this will be the last chance for students to make changes to the courses they have selected. These forms require a parent signature.
