Welcoming Students of All Abilities and Disciplines

INCLUSIVE & INDIVIDUALIZED

T.H.E. Academy can accommodate students of diverse abilities. The curriculum can be modified, adapted or enriched depending on the needs of the individual. We are pleased to welcome applications from students who are working with programs such as North Fraser Therapeutic Riding. In addition, advanced equestrians who can demonstrate 80% mastery may challenge outcomes and accelerate.

Academy spaces are limited. Fees for the 2009 school year are \$300 CDN. Upon successful completion of all four Academy courses, students will be presented with a certificate in Equine Studies.

IDEAL CANDIDATES & APPLICATION PROCESS

The ideal Academy candidate is an enthusiastic learner who wants to broaden his/her knowledge of all facets of horses and horsemanship. Candidates begin the application process with an online application at www.thss.ca. Candidates who pass the initial screening will be contacted to provide specific references and may be asked to attend an interview. Applicants DO NOT have to attend THSS.

With the support of Horse Council of British Columbia, the Thomas Haney Equestrian Academy offers grade 10, 11 and 12 students a unique opportunity to earn 16 BC High School Graduation Credits in Equestrian Studies.

NO HORSE? NO PROBLEM!

Equine Studies 10, 11 and 12 require two hours of classroom instruction per week at the THSS Maple Ridge Campus. Independent Directed Equine Studies 12 may be completed outside the classroom in one of three ways:

- Students already working with their own coach or trainer who take lessons at least twice monthly;
- Students who are weekly recreational Riders;
- Students may take optional lessons through one of our affiliates: The Maple Ridge Equi Sport Centre or Maple Meadows Equestrian Centre.
- Completion of Barn Lessons unmounted
